Vancouver Marriott Pinnacle Hotel
Vancouver, BC Canada
September 16-20, 2013***

CYC13 statistic:

- Number of Participants 188
- Number of oral presentations 177
- Number of posters 80
- Number of students 23
- Number of sponsors 11
- Number of exhibitors 13

A wide-angle night photograph of a city skyline, likely Vancouver, Canada. The sky is a deep blue, transitioning to a lighter hue near the horizon. The city's numerous skyscrapers are brightly lit from within, their lights reflected perfectly in the calm water in the foreground. The overall atmosphere is serene and modern.

Cyclotrons 2016 will be organized by PSI in Switzerland

location probably Basel

Congress Center Basel, Switzerland

Congress Center:
10 minutes from Basel Train Station
airports in Basel and Zürich (80km)

A wide-angle night photograph of a city skyline, likely Vancouver, Canada, viewed across a body of water. The sky is a deep blue, transitioning to a lighter hue near the horizon. The city's numerous skyscrapers are brightly lit from within, their reflections clearly visible in the calm water below. The overall atmosphere is serene and visually appealing.

Thank you !

Merci !
